## MEDICINAL

### The Deadly Trail

Of disease is often the trail marked by a woman's gown. A recent investigation showed a horde of microbes, including those of influenza, consumption and a dozen other varieties, gathered in the trail of a woman's dress.

The microbes are everywhere, but its prey are the weak and feeble people whose blood is "poor" and digestion "weak." Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition and purifies the blood. It strengthens the body by increased nutrition to resist or throw off disease.

"Please accept my thanks for the good Dr. Pierce's Golden Medical Discovery. I did not have for ten years, writes Mrs. N. Chesley of Cleveland, Ohio, 'I was troubled for over a year with what the doctor pronounced indigestion. I had nervous headaches, an unpleasant taste in my mouth, and my blood was very poor. I tried different remedies but to no avail. My parents insisted on my taking Dr. Pierce's Golden Medical Discovery. I did so; am now on the fourth bottle, and feel stronger than I have for ten years. I cannot speak too highly in its favor.'"

Dr. Pierce's Pleasant Pellets are easy and pleasant to take. A most effective laxative. They do not get the pill habit.

### Like a Comet

This famous remedy does for the stomach that which it is unable to do for itself, even if but slightly disordered or overburdened.

## FACE THEIR ACCUSERS.

The youthful self-confessed murderers and train robbers, Peter Neidermeier, Harvey Van Dein, Gustav Marx and Emil Roeski, were arraigned in court in Chicago last night. Marx pleaded guilty to all the charges against him, but his three accomplices pleaded not guilty. During the afternoon the prisoners were removed from the Harrison police station to the county jail, where they will remain until brought to trial. No excitement marked the trip to the jail. Each prisoner was guarded by seven policemen and two deputy sheriffs. During the journey Roeski joked with one of the policemen and sarcastically said "I would like to have you alone for just one minute." Shortly before the prisoners were removed to the county jail Marx was confronted with his three accomplices. Marx's confession implicating Van Dein, Neidermeier and Roeski was read to the prisoners. The bandits arrested in Indiana refused to confirm or deny the contents of the message. They were then asked to tell whatever more they had to say concerning their career. "I am willing to hang without the wink of an eye if I see Marx, the squealer, hang first," said Van Dein. "The same here," Neidermeier added. "You fellows get no more than you deserved." Marx said. "Sometime ago," Marx said to the Inspector of Police, "I met the bunch in Orleans street, where we intended to rob the American Express wagon, and I forgot my large gun. This angered the boys, and they told me to leave them. I walked away, and when 50 feet away a bullet passed through the brim of my hat. It was fired by one of these fellows. I got revenge," Neidermeier admitted to the police that he and Van Dein had made an attempt to kill Marx. Roeski also said that he had narrowly escaped murder at the hands of his accomplices.

## NEGROES LYNCHED.

In the presence of a crowd of about 1,200 persons, composed of whites and negroes, Phil Davis, Walter Carter, and Clint Thomas, all negroes, were lynched yesterday afternoon about 1 o'clock within a short distance of Belcher, which is twenty miles from Shreveport, La. The men were executed for participating in the fatal shooting of Robert Adger, one of the most popular business men in north Louisiana. The negroes confessed their crime. They stated that they were trying new guns, and when Adger appeared on the street thought it quite natural to turn the guns on him. No shots were fired at the lynching, the negroes all being hanged to a single limb of a tree. Two of the negroes under arrest, Sam Lee and Peter Thomas, were released. Lee proved that he attempted to prevent the negroes from shooting, and established the fact that he was too frightened to shoot. Phil Davis and Walter Carter were captured yesterday afternoon several miles from the scene of their crime. Clint Thomas was caught later about a mile and a half from Belcher. The negroes were taken before Adger and confessed their crime. They were held in concealment until shortly before 1 o'clock yesterday, when they were taken out and hanged. Davis said to be an ex-convict, and Walter Carter was forced to flee from Mansfield, La., about a year ago for insulting a white woman. The negroes of Belcher joined in the search for the men and were apparently as eager to have them lynched as the whites. One negro was presented by the whites with a purse of \$100 for the part he took in the pursuit. The negroes who were lynched were given an opportunity to pray.

**CHANGES IN HOUSE FORCE.**—There will be several changes in the force of the clerks, messengers and other holding positions in the House of Representatives. The men whose "influence" failed to re-elect them are being dropped or reduced in pay. The most important change will be the dropping of Capt. Thomas McKee, for many years the journal clerk of the House. Captain McKee originally owed his appointment to Representative Steele, of Indiana, but Mr. Steele was not re-nominated, and so Captain McKee was gone. He will be succeeded by Hermann A. Phillips, at present assistant journal clerk. Mr. Phillips is a protégé of Representative Mann, of Illinois. Frank H. Wakefield, the tally clerk, will also be dropped. He owed his appointment to Mr. Corlies, of Michigan, who failed of re-election. He will be succeeded by a man named Jones, from the district of Representative Samuel Smith, of Michigan. Other minor changes will also be made. Doorkeeper Lyon announced his appointments yesterday. Several employees have been promoted and others reduced.

**CLASH BETWEEN CHURCH AND STATE.**—A dispatch from San Juan says Rev. Felipe Villalobos, a Spanish priest of the Catholic Church at Humacacao, has been convicted by the District Court of a violation of the civil marriage law in

## The best at one-half price

It takes five of the ordinary "quarts" to make a gallon, but a HAYNER QUART is a full quart, an honest quart of 22 ounces, four to the gallon. Now, you pay your dealer at least \$1.50 a bottle for whiskey that cannot possibly be any better than HAYNER. If as good, or \$2.25 a gallon. If you buy HAYNER WHISKEY you save at least \$1.00 on every gallon. We sell two gallons for about the same as you pay for one gallon of probably poorer whiskey. Just think that over and remember that HAYNER WHISKEY goes direct from our distillery to you, carries a UNITED STATES REGISTERED DISTILLER'S GUARANTEE OF PURITY AND AGE and saves you the dealers' enormous profits. That's why it's so good and so cheap. That's why we have over a quarter of a million satisfied customers. That's why YOU should try it. Your money back if you're not satisfied.

marrying a couple without a license, and has been sentenced to pay a fine of \$200 or to the alternative of 60 days in jail. The very Rev. James H. Blenk, Bishop of Porto Rico, has appealed to Governor Hunt to pardon Father Villalobos, which appeal the Governor now has under consideration. In justification of his action Father Villalobos claims that the laws of church are above the civil code relating to marriage, and says that his course has been approved by Bishop Blenk. This is the first approach to a serious clash between church and State since the occupation of the island by the United States, though there have been other cases in which defiance of the civil marriage law has been shown. The feeling concerning the matter is intense and the decision of Governor Hunt is eagerly awaited.

It is a credit to the Union Novelty people that we have this news to tell

—a credit to their energy, their progressiveness, their strenuous ways.

They have one of the largest waist factories in the country—340 machines or so. They have made their trade mark as valuable to their

product as sterling is to silver. They work full steam in dull times or

bustling times, making waists the best they know how, not bothering about

selling them. This policy is their success. Now and again they over-

produce, but what of that? Forget the loss and begin again, they say.

The 240 waists are an over-production this year. Their machines are

working on spring orders and they want these out of the way.
